### Commercial Offer

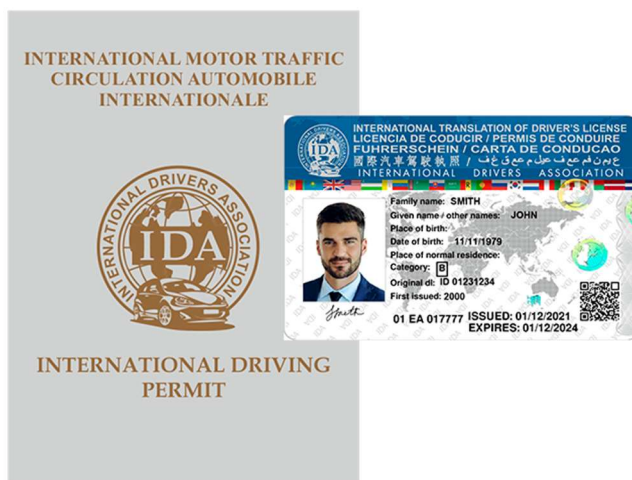

**International Drivers Association (IDA)** is the first and only association officially registered in the territory of the Republic of Kazakhstan that provides services for issuing an International Driving Permit (IDP) to citizens and residents of the Republic of Kazakhstan and other countries.

As part of the development of the regional representation, we would like to offer you mutually beneficial terms of cooperation, and we are also ready to consider any terms proposed by your side.

Our options:

1. Any employee of the Association who has applied for our International Driver's License (IDP) is granted a discount of 20% of the cost of the full set + express delivery to home or office.
2. All the association members, are also granted a discount of 20% of the cost of the complete set + express delivery to the house.
3. We are also ready to consider any other options for cooperation.

The current value of the IDP is 55,000 KZT. As part of our offer, the cost for your association will be **44,000 KZT**.
